

Thesis Builder

The Thesis Builder website (<http://www.ozline.com/electraguide/thesis.html>) will help you turn your notes and ideas into a thesis statement. Use the questions on this sheet to brainstorm ideas before going to the website.

What's the topic you want to write about?

What's your main opinion on this topic?

What's the strongest argument supporting your opinion?

What's a second good argument supporting your opinion?

What's the main argument **against** your opinion?
